Creative Writing the only group that has a tutor Bob who gives his time and enthusiasm to lead this group to expand their skills and perhaps try something new.

Forget me Not... Life Partner Loss Group A group which is being developed by those attending to create a safe and supportive space for all. No matter how recent or distant a loss is all are welcome..

Chapel Chimers are a group of 'senior' ladies who meet to make music using hand chimes. No musical ability is required but the ability to count to 3,4 or sometimes 6 and being able to keep time is useful!

Craft Groups we have various groups that have a love of a variety of craft activities and enjoy meeting with like-minded people to share their knowledge and enthusiasm, all are welcome to bring the project they are working on from patchwork to painting by numbers, taking joy in creating is the most important thing. Also the Mending and alterations group that meets fortnightly

Table Tennis The groups is being supported for us by the Aberdeen & District Table Tennis Association and a coach will be on hand to provide support and guidance.

Racketeers - A group of enthusiastic badminton players who use the time, space and activity to support each other and their own physical and mental health. They are happy to welcome new members and opponents!

Learig Orchestra Our friendly community orchestra's repertoire is generally classical and new players are welcomed in almost all sections see <https://www.learig.org.uk> for more information.
